

REMARKS

By the foregoing amendments, the specification has been revised to provide a cross-reference to the international application and appropriate headings. In addition, the claims have been amended to omit multiple dependencies, delete reference numerals, and better conform to standard U S. practice.

The filing fee has been calculated based on the claims as amended above. No new matter has been added. A prompt review and notice of allowance are respectfully solicited.

Dated: September 26, 2006
